Hi Darin,

No problem, just let me know when does Scott wants to pick up the medallion. I'm not in the office tomorrow but I may arrange for someone else to hand it down to him. Otherwise I'll be here next week.

Hi Mario

We are planning to use the prototype as one of the installed medallions.

Hi Darin,

The Bureau would like to keep the BLQ medallion prototype if possible. We understand that the intention to keep the medallion was not mentioned earlier and if this is not possible that would be completely understandable.

Please let me know in advance if and when Scott will pick it up to make arrangements accordingly.

Regards,
